Dear Sir or Madam

NOTIFICATION OF WATERPROOFING WORKS M1 Junction 18 Crick Bridge

As you may be aware we have carried out essential renewal works to the waterproofing system on Crick Bridge at junction 18 of the M1.

During the scheme, we removed and replaced the existing waterproofing system to the bridge and resurfaced the carriageway. This work will prevent water leaking onto the bridge decks, which in turn will protect the structure.

Due to poor weather conditions, we had to postpone a previously scheduled weekend closure but we are now returning to complete the work

When will the work take place?

Southbound carriageway closure

- **9pm Friday 11 April until 6am Monday 14 April**

*Please be aware that our planned roadworks may be affected by weather conditions or unforeseen circumstances. If the works are cancelled, we have a contingency weekend scheduled for **9pm on Friday 25 April until 6am on Monday 28 April.***

During these closures fully signed diversion routes will be in place, which have been agreed with the Local Authority.

How will the work affect businesses and residents?

Due to the nature of the work being carried out during these carriageway closures, we'll be **unable** to provide any access to any vehicles, including the emergency services.

Please be aware that long delays are expected so please avoid the area and only travel if your journey is essential.

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

Contact us

If you have any questions or if you would like further information about this work, please contact our **Public Liaison Officer**, as follows:

- Email: EMcomms@amey.co.uk

Alternatively, you can contact our National Highways Customer Contact Centre as follows:

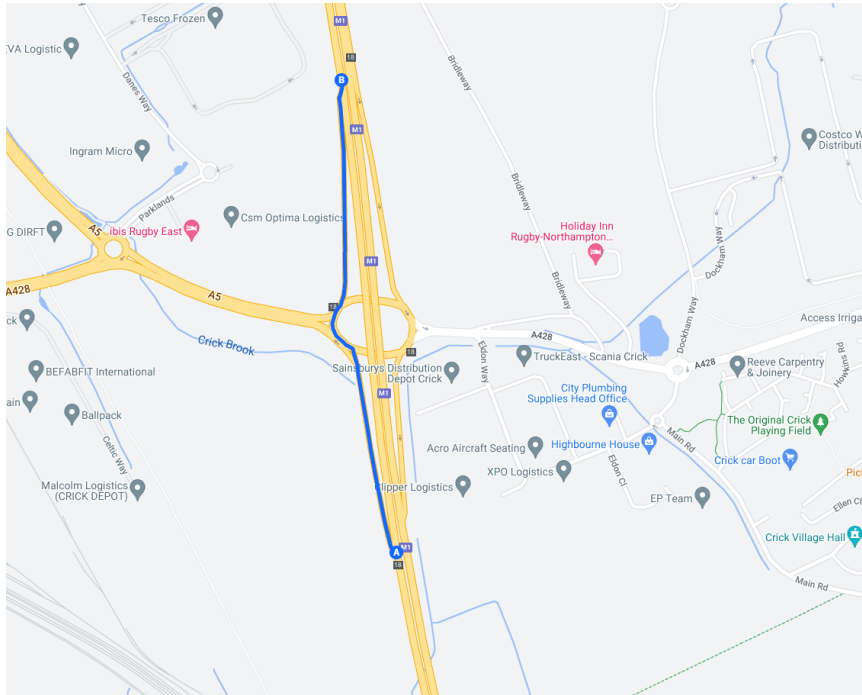

- Email: info@nationalhighways.co.uk
- Telephone: 0300 123 5000

Yours faithfully,

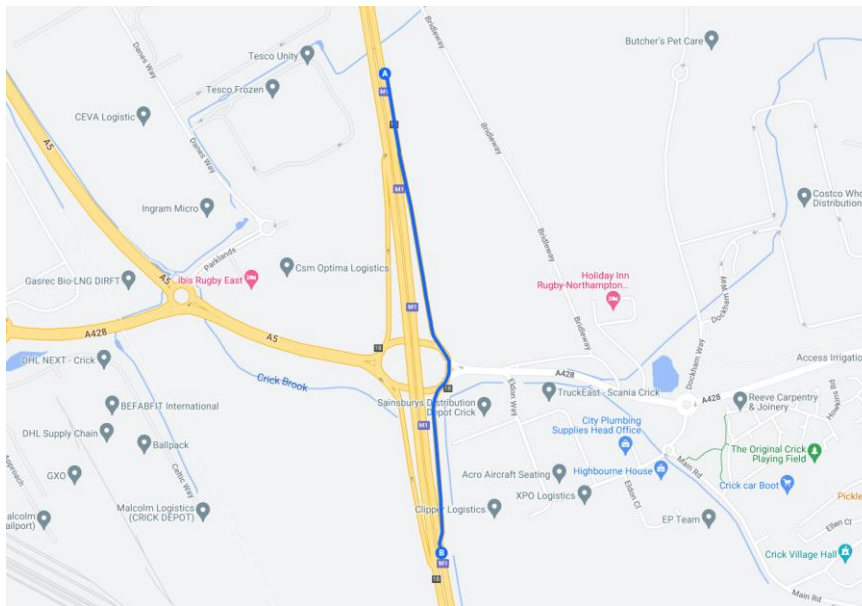

Project Manager
